Basic Bible Survey Part Two

New Testament

HARVESTIME INTERNATIONAL INSTITUTE

This course is part of the Harvestime International Institute, a program designed to equip believers for effective spiritual harvest. The basic theme of the training is to teach what Jesus taught, that which took men who were fishermen, tax collectors, etc., and changed them into reproductive Christians who reached their world with the Gospel in a demonstration of power. This manual is a single course in one of several modules of curriculum which moves believers from visualizing through deputizing, multiplying, organizing, and mobilizing to achieve the goal of evangelizing.

Course: Basic Bible Survey

INTRODUCTION

The many references to the Old Testament by Jesus during His earthly ministry illustrate the importance He placed on knowing the content of the Scriptures. Because Jesus stressed the importance of God's Word to the men He trained, Harvestime International Institute presents this course, "Basic Bible Survey," as part of its training program to equip men and women to reach their nations with God's message.

Volume One of "Basic Bible Survey" introduces the Bible and discusses its translations and various versions. It presents an overview of Biblical history, geography, and life in Bible times. It also teaches outlining skills and presents an outline for each book in the Old Testament.

This manual, Volume Two, continues the study with an outline for each book in the New Testament. Information presented on each Bible book includes the author, the people to whom the book was written, the purpose of the book, the key verse, a list of main characters, and an outline of the content.
A Life and Ministry Principle is also stated for each book. These principles are basic truths vital to Christian maturity and ministry which you should seek to incorporate into your own life. Helpful charts, maps, and time lines summarizing important facts in condensed form are also included in both volumes of "Basic Bible Survey."

"Basic Bible Survey" is a companion course of "Creative Bible Study Methods" which teaches various ways to study the Bible. Both courses are designed to enrich your personal study of God's Word.

COURSE OBJECTIVES

Upon completion of this course you will be able to:

Create and expand outlines of books of the New Testament.

For each New Testament book, state the following:

Author
To whom the book was written
When it was written
Purpose of the book
Key Verse
Life and Ministry Principle

Continue with a more detailed study of God's Word upon completion of this course.

INTRODUCTION TO THE GOSPELS

The first four books in the New Testament are the Gospels. These books record the birth, life, ministry, teachings, death, and resurrection of Jesus Christ. The approach of each book differs:

Matthew: Emphasizes Jesus Christ as King and was directed especially to the Jews. The book opens with the royal genealogy and closes with the King commissioning His disciples.

Mark: Emphasizes Jesus Christ as the Servant of God and was directed to the Romans. No genealogy is given since Jesus is portrayed as a servant and no one is interested in the pedigree of a servant. The book closes with the Lord "working with them," laboring as a servant with His disciples.
Luke: Presents Jesus Christ as the "Son of Man," the perfect man and Savior of imperfect men. Luke 3 traces the human genealogy of Jesus back to Adam. Luke ends with this perfect man, Jesus, ascending back up to Heaven to His Father.

John: Stresses Jesus in His position as the Son of God. The book opens with Jesus the Word revealed as God. The closing verse of John indicates that the world could not contain all Jesus did during His earthly ministry. This is further evidence He was truly the Son of God.

JEWISH SECTS

The Jews of New Testament times belonged to different sects or groups. The following groups are mentioned in the Gospels:

Pharisees: Their religion centered on obedience to the law which they interpreted, extended, followed, and enforced. They followed not only the written law but also oral tradition which had been passed from generation to generation. They were the largest group of Jews and the most influential. They believed in resurrection after death.

Sadducees: They were the governing group. They did not believe in the resurrection. They accepted only the teaching written in the law and not what had been handed down orally. They were aligned politically with the Romans who ruled Israel at the time of Christ.

Essences: These were strict legalists who looked for two messiahs to come. They lived in segregated communities.

Zealots: These were fanatical nationalists who advocated violence as a means of liberation from Roman rule.

FOR FURTHER STUDY

1. The book of Matthew can be viewed in three groups of ten incidents: The Sermon on the Mount consists of 10 principal components (chapters 5-6). The next chapters (8-10) record 10 miracles. The next group of chapters (11-18) record 10 representative reactions by people to Jesus. Study Matthew using this pattern.

2. Study the life of Matthew. He was a publican (Matthew 5:3). He became a disciple of Jesus (Matthew 9:9). He was later appointed an apostle (Matthew 10:3) and he became the writer of this Gospel which bears His name.

3. Study the temptation of Jesus in Matthew 4. Use the chart to help you understand the story of the temptation:

INTRODUCTION TO THE LETTERS

The next division in the New Testament are the letters, also known as the Epistles. They include the following books:

Romans: A presentation of the Gospel which stresses salvation by faith alone.

I Corinthians: Written to correct errors of Christian conduct in the local church.

II Corinthians: Speaks of the true ministry of the Gospel, stewardship, and Paul's apostolic authority.

Galatians: Deals with the error of mixing law and faith. The theme is justification by faith alone.

Ephesians: Encourages believers everywhere who share a heavenly position with Jesus as members of the Church.

Philippians: Emphasizes the joy of the Christian experience.

Colossians: Deals with the error of "Gnosticism," a false teaching which denied Jesus was truly Son of God and Son of Man. The book also emphasizes Jesus as head of the Church.

I Thessalonians: Counsel in Christian living and emphasis on the return of Jesus.

II Thessalonians: Further instruction on the Lord's return and how knowledge of this should affect everyday life.

I Timothy: Stressess sound doctrine, orderly church government, and principles to guide the church in the years to come.

II Timothy: Describes the true servant of Jesus Christ. Warns of the apostasy (spiritual decline) which had already started and presents the Word of God as the remedy to correct all error.
**Titus:** Paul's letter to a young minister named Titus who was serving God on the island of Crete. Doctrine and a godly life are stressed.

**Philemon:** Paul's intercession for a runaway slave of a wealthy Colossian Christian. It illustrates the intercession of Jesus on the behalf of believers who were once slaves to sin.

**Hebrews:** Explains the superiority of Christianity over Judaism. Presents Jesus as the Great High Priest and the one mediator between God and sinful man.

**James:** Teaches that true faith is evidenced by works, although salvation is by faith alone.

**I Peter:** A letter of comfort and encouragement to believers, especially those suffering from spiritual attacks from without through unbelievers.

**II Peter:** A warning against spiritual attacks from within. For example, false teachers who had already gained position in the church.

**I John:** Written to combat Gnosticism which denied Christ's position as Son of God and Son of Man. Emphasizes fellowship and love among believers and assures true believers of eternal life.

**II John:** Warns against any compromise with doctrinal error and emphasizes that truth be guarded in love.

**III John:** Warns of the sin of refusing fellowship with those who are true believers.

**Jude:** Another warning against apostasy and false doctrine. The theme is similar to that of II Peter.

FOR FURTHER STUDY

1. Study I Corinthians 3:10-15 to identify the following:
   - The building
   - The building material
   - The owner
   - The test of building
   - The builder

2. One of the reasons Paul wrote I Corinthians was to instruct the church to remove an unrepentant sinful member (I Corinthians 5:1-8). In II Corinthians he instructs the church to receive back that one who had since become repentant (II Corinthians 2:6-11).

4. At least four names for believers are found in II Corinthians which are not found elsewhere in the Bible. These are: Living epistles: 3:2-3; A sweet savor of Christ: 2:15; Treasure carried in earthen vessels: 4:7; Ambassadors of Christ: 5:20

5. One of the most important reasons why God allows a believer to suffer is explained in this book: 1:1-6.
6. Paul told the Corinthian believers: "Be ye imitators of me, even as I also am of Christ" (1 Corinthians 4:16 and 11:1). Study Paul's example as revealed in 1 Corinthians:

Loyal in message, method, and motive: 2:1-5

Sound in building: 3:10-23

Trustee of the truth of the Gospel: 4:1-6

Endured tribulations for Jesus: 4:9-16

Considerate of weaker brethren: 6:12; 8:13

Relinquished his rights: 9:12-18

Denied himself in order to reach souls: 9:19-23

Self-disciplined: 9:27; 10:33

Demonstrated proper restraint in public assemblies: 14:18-20

Humble: 15:9-10

7. 1 Corinthians 15 is the longest passage in the Bible concerning the future resurrection of believers. Study the changes that will occur:

The body is sown (dies, is buried) in corruption, it is raised (through resurrection) in incorruption.
- It is sown in dishonor and raised in glory.
- It is sown in weakness and raised in power.
- It is sown a physical body and raised a heavenly body.
- It is sown a flesh and blood body but raised a changed body.
- It is sown a mortal body and raised an immortal body.

8. Study 2 Corinthians 7:10. Make a list of the contrasts (differences) between godly sorrow and the sorrow of the world.

11. Is God still writing "epistles" or letters? Read 2 Corinthians 3:3. The believer is a living epistle through which God is revealing His message to the world.
12. I Corinthians chapters 12-14 concern the use of spiritual gifts in the church. Use the following notes to study this section:

CONCERNING SPIRITUAL GIFTS

The Holy Spirit divides or distributes these gifts among believers as He will: Chapter 12
- There are many gifts, but one Spirit: 4-11
- There are many members but one body: 12-27
- There are many ways to serve, but one Church: 28-31

The gifts have no value unless they are used with love: Chapter 13
- Spiritual gifts are not effective without love: 1-3
- The characteristics of love: 4-8
- Love is the greatest gift of all: 9-13

The most desirable gift is the gift of prophecy: Chapter 14
- It edifies the church: 1-22

- It should be used properly: 29-40

1. Who was the author of the book of Galatians?
2. State the purpose for the book of Galatians.

FOR FURTHER STUDY

1. See Habakkuk 2:4. This verse is quoted in Galatians 3:11.
2. Study the contrast between the fruit of the Holy Spirit and the works of the flesh: Galatians 5:19-23.
3. The key word of Galatians is liberty. It is used 11 times. Locate these verses and summarize what is taught about liberty.
5. The doctrinal error in the church in Galatia is referred to by Paul as "another gospel." These believers were seeking to be justified by the law (5:4). They were requiring observance of special holy days (4:10) and circumcision as necessary to salvation (5:2; 6:12-13). They were seeking to supplement the work of the Holy Spirit by law and their own works of righteousness (3:3). They were insisting on conformity to the law of Moses (4:21). It was not that the Gospel was being denied, but they were adding to the Gospel legalistic and ritualistic ideas.
6. Study the contrasts of the book of Galatians. These include faith versus works; the Spirit versus the flesh; grace versus law; circumcision versus new creation; the cross versus the world, freedom versus bondage; the natural (Ishmael) versus the spiritual (Isaac).
7. Things to bear:
   - Fruit-bearing: Galatians 5:22-23
   - Burden-bearing: Galatians 6:2
   - Seed-bearing: Galatians 4:7,9
   - Brand-bearing: Galatians 6:17 (the marks of the Lord Jesus)

SELF-TEST

1. Who was the author of the book of Ephesians?

2. State the purpose for the book of Ephesians.

3. To whom was the book of Ephesians written?

5. From memory, write the Key Verse of Ephesians.

(Answers to tests are provided at the conclusion of the final chapter in this manual.)

FOR FURTHER STUDY
1. The book of Ephesians compares believers to several things:
   - Citizens: 2:19
   - A body: 1:22-23; 4:4,12,16
   - A church: 5:22-23
   - Servants: 6:6-9
   - A building: 2:20-22
   - Soldiers: 6:10-17

2. Our relationship with God is like that of a family (3:15). We are: adopted (1:5-6); a household (2:19); and dear children (5:1).

3. Study Paul's prayers for the Ephesians. He prayed that they might know certain things (1:16-19) and that they might have certain things (3:14-19). Both are necessary to claim our spiritual inheritance. We must know about it and we must also claim it. Study the guidelines given in Ephesians as to how we are to pray: 5:18-20; 6:18.

4. There are several passages in Ephesians concerning the church. List each verse and summarize what is taught.

5. Study the key words in Ephesians: Mystery, walk, love, grace, glory, power, in working, peace, riches, together, one in the heavenlies.

6. Study Ephesians 4:22-23 and 6:11-18. List the things we are to put off and put on. Compare this list to a similar list given in Colossians chapter 3.

7. Make a list of the contrasts in the book of Ephesians. Here are some examples to start you on your study:
   - Salvation by works: 2:9
   - Salvation by grace: 2:8
   - Revelation unknown: 3:5
   - Mystery revealed: 3:3
   - Children of disobedience: 5:6
   - Children of light: 5:8

   Contrast everything Ephesians teaches about what we are in Christ compared to what we were in times past when we were dead in trespasses and sin.

8. A man by the name of Tychicus is mentioned in Ephesians 6:21-22. Find other references to him in Acts 20:4; II Timothy 4:12; Titus 3:12, Colossians 4:7.
9. Find the twelve references to the Holy Spirit in the book of Ephesians. The references in chapters 1-3 tell what the Holy Spirit is and does toward the believer. The references in chapters 4-6 tell us what we are to be and do toward Him.
